Dear Graham,

We won't give up until everyone experiencing a mental health problem gets both support and respect – with your help, we can make this possible. Thank you.

I would like to thank you and The Graham Shapiro Foundation for your kind donation. Both your support and confidence in Mind and our work means a great deal to us.

Your donation will help us to provide more than 980 direct services to over 400,000 people a year through our local Minds across England and Wales. It will help us to respond to a targeted all time high of 110,000 enquiries from people in need of mental health information and support, through the Mind Infoline and our Legal advice line. We will also continue to push forwards with our campaigning work in 2019, to change attitudes, challenge discrimination, and improve mental health services. This year, we are also taking the next steps to becoming an all age charity, by supporting childrens mental health through our work in schools.

None of this would be possible without the people who support us – together, with The Graham Shapiro Foundation, we really are making a difference.

If at any stage you would like more information on either our current work or future plans, please do get in touch on 020 8215 2340 or e-mail j.mccarthy@mind.org.uk

With very best wishes.

Yours sincerely,

Joe McCarthy
