Dear Graham,

I am writing to you to express our delight and surprise following your kind donation to Inner Trust.

We would like to thank yourself personally for doing such an amazing and brave fundraiser at the 2019 Portugal Iron Man event, which you successfully completed. We would also like to thank the Graham Shapiro Foundation for the generous donation.

The donation will go towards our new project The Capture Crew, where young people learn to create short films using video and 360 cameras to express what's it like to live with isolation, bullying and disabilities as young people in Cheshire.

Thank you again for the kind support and belief you have in Inner Trust.

Yours sincerely,

Spencer Hickson
